

Our family business has been thriving for over two decades, and we produce over one million perogies and cabbage rolls every year.

We cater events from 20 to 200 people, from office luncheons, season windups, to weddings, anniversaries and home parties. Menus feature a wide variety of Ukrainian and North American favourites, and can be customized to suit specific needs.

You can pick-up your order at our store or we will be happy to deliver and set up at your location.

Visit our store and take home some of our famous perogies and cabbage rolls, or one of our many other Ukrainian favorites.
